It will be emphasized that the goal is to continue to providing the meal programs even though budgets are being cut. Donations are an important part to the success of these centers as there is no additional federal/state funding available. It was recommended to change the suggested donation to \$3.50/\$4.00 on a trial basis for the next 3 months, have meetings with the mealsite/senior centers and bring the matter back for discussion in March 2010.
